

COMPLIANCE WORKING RECORD

California and Virginia privacy applicability checker

Fictional sample. Requires tailoring and responsible review.

Document control

Field	Value
Document type	Working report
Document reference	BCT-1-privacy-applicability-interviewer
Version	2026-10-14.quick-tasks.1
Status	Fictional sample
Prepared on	Not recorded
Rule pack	2026-10-14.quick-tasks.1
Sources reviewed	October 14, 2026
Generated	October 19, 2026

Result

CCPA main business thresholds appear to match your stated facts.

Revenue exceeds \$26,625,000.

The revenue comparison uses the preceding calendar year. California counts buy, sell, or share activity. Virginia counts consumer data processing.

Source review date. October 14, 2026.

Inputs

Field	Value
State to check	California
Do you conduct business in this state or target its residents?	Yes

Field	Value
Is the organization for profit?	Yes
Do you determine why and how personal information is processed?	Yes
Gross annual revenue for the preceding calendar year in USD	30000000
Number of state consumers or households	12000
Percent of annual gross revenue from selling personal information	0
Could an exemption, affiliate rule, joint venture, or voluntary certification change the result?	No known issue

Result records

The formal report shows up to 100 result rows. The JSON file retains the complete result and inputs.

Limitations

- This check covers the main California and Virginia business thresholds only, using sources reviewed October 14, 2026. It does not determine exemptions, affiliate or joint-venture coverage, voluntary certification, other state laws, or legal applicability. A qualified reviewer makes the final decision.
