Candidate date	Status	Rule
24 August 2026	candidate	EU GDPR one-month response clock

Boundary

This is a recorded clock calculation and evidence structure. It does not provide legal advice or determine the substantive response.

Assumptions

- Request recorded as access and received 24 July 2026 through Secure web form.
- Candidate date for Ireland. National public-holiday and receipt rules have not been applied.
- No identity-date adjustment was selected.
- No extension was selected.

Limitations

- Does not decide identity, authority, scope, exemptions, manifestly unfounded or excessive status, entitlement, disclosure content or whether an extension is justified.
- EU output is a candidate date until national public-holiday and receipt rules are verified.
